Trust

Honesty

5 - Why's

Fruit - Problem

Why do people journal?

Branch

To make things clear

efficiently track the process

organize

to track things they did

To save time

to have a record

Trunk

avoid confusion

make it easier for other people to follow

To avoid forget something

track parterns in their lives

to have more time to do other things

Better decision making

Optimization of time

To understand something better

To find new patterns in what is known ie innovation

To trace where you went wrong

Root

To achieve the goal without making much mistakes

life gets busy and we have a lot going on

Make future planning more efficient

Better spend mental effort

Get more out of the day

Obtain more information out of something

correct mistakes

try different options

Soil - First Principles

Improve Efficiency

Maket things organized

be more productive

Manifest change

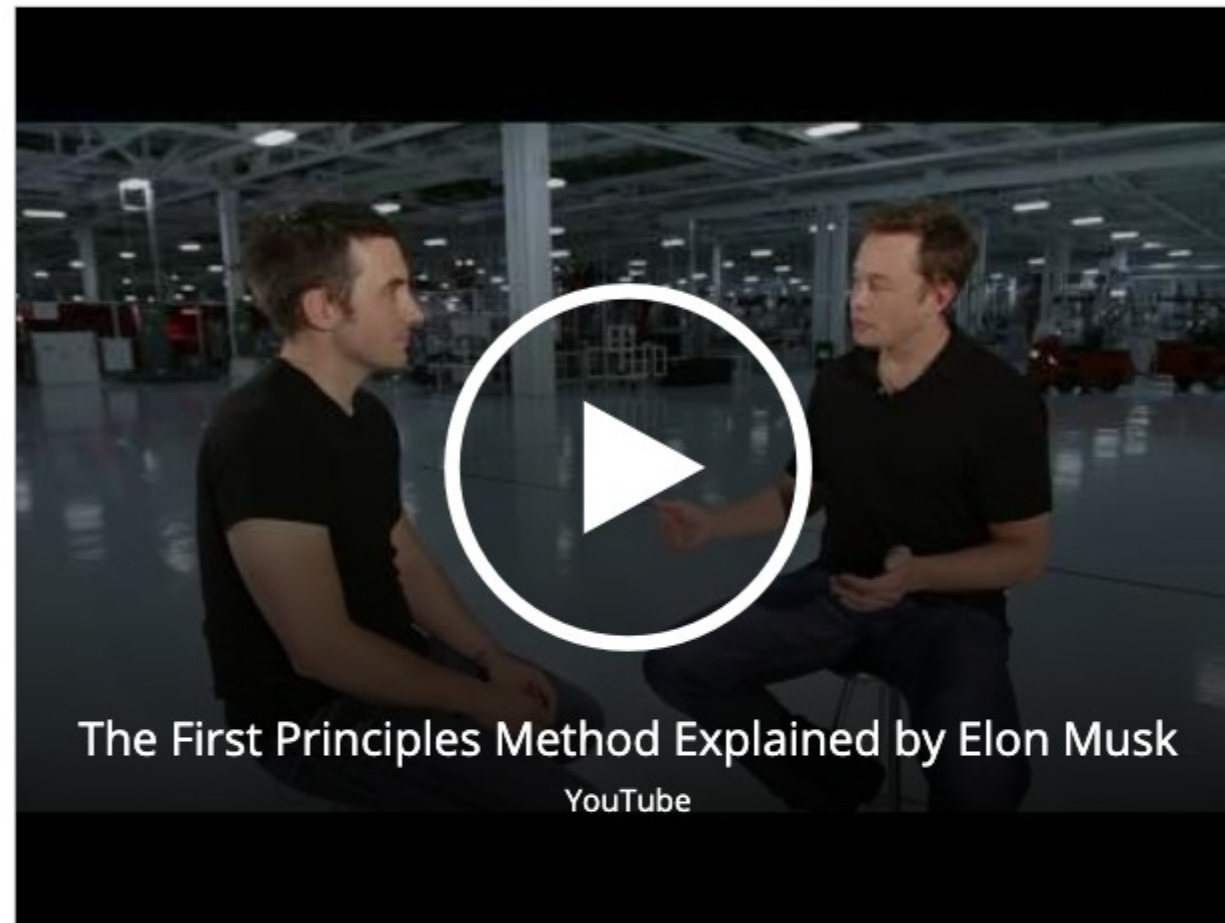

Being Happy

Ultimately have some rest time

Live a better life?

Have a more efficient life

exploring all avenues
